Assalamu Alaykum wa Rahmat Allah wa Barakatuh.

ISNA Canada *Majlis* (Board) held a meeting at ISNA Canada HQ on January 17-18, 2015. This first physical meeting of the Board proved to be very productive.

After the meeting, the Board committed itself to the following items to be listed in a communiqué issued to ISNA Canada members and public:

- Begin strategic planning with member and non-member stakeholders
- Develop youth and women's committees
- Improve communication with members and the wider community
- Increase ISNA Canada organizational maturity and effectiveness
- Support innovative projects in communities
- Revitalize ISNA as a national organization in major cities
- Stay on top of ISNA Canada management issues as a result of recent audits including those by CRA

The Board invites members of the community to send ideas and suggestions on moving ISNA Canada forward on the path to greater effectiveness and continuous quality improvements in all its endeavours.

Thank you all for the many expressions of support that we have received.

Sincerely,

Dr Syed Imtiaz Ahmad
